

# Statement of Decontamination

Required for all mail-in pipette service

Calibrate, Inc. may not provide service for any instruments that have not been thoroughly decontaminated. By submitting this form and sending your pipettes in for service, you are certifying that your instruments are clean and safe for our technicians to handle.

*I certify that the instrument(s) included in my shipment are free of any radioactive, biohazardous or otherwise dangerous substances/gasses and are safe for human handling.*

Company: _____	Signature: _____
Address: _____	Title: _____
Phone: _____	Date: _____
Email: _____	Print Name: _____

Please put a signed copy of this Statement of Decontamination in the box with your shipment of pipettes.

Thank you for your assistance with our Health & Safety program.
